

GASO Event Notes Clarifications 2015

**C Level**

| Event                | National Rule Notes/Resources Allowed  | <b>GASO Rule Clarification/Change<br/>2015 Notes/Resources Allowed</b>   |
|----------------------|--|--|
| Air Trajectory       |  | Log items are calculated as part of score. Must have logs with required data   |
| Anatomy & Physiology | Each <b>TEAM</b> may bring <b>only one</b> 8.5" x 11" two-sided page of information in any form from any source  | Same unless tournament director indicates otherwise  |
| Astronomy            | Each <b>TEAM</b> may bring either two laptop computers or two 3-ring binders (any size) containing information in any form from any source, or one binder and one laptop. The materials must be 3-hole punched and inserted into the rings (notebook sleeves are allowable).                       | <b>NO LAPTOPS allowed at any GASO tournament for this event. Each <u>TEAM</u> may bring <u>2</u>, three ring binders as originally stated in the national rules.</b> |
| Bridge Building      | N/A  |  |
| Bungee Drop          | N/A  |  |
| Cell Biology         | Each <b>TEAM</b> may bring <b>only one</b> 8.5" x 11" sheet of paper that may contain information on either side in any form from any source.  | Same unless tournament director indicates otherwise  |
| Chemistry Lab        | Each <b>STUDENT</b> must bring safety equipment and a writing implement each <b>TEAM</b> may bring a non-camera capability calculator and <b>one</b> 3-ring binder (any size) containing information in any form from any source that is inserted into the rings (notebook sleeves are permitted). | Same unless tournament director indicates otherwise  |
| Compound Machines    | All reference materials to be used during all parts of the competition must be secured in a 3-ring binder, so that regardless of orientation nothing can fall out.   | Same unless tournament director indicates otherwise  |

|                     |  |   |
|---------------------|--|---|
| Disease Detectives  | Each <b>TEAM</b> may bring <b>only one</b> 8.5" x 11" two-sided page of information in any form from any source and  | Same unless tournament director indicates otherwise |
| Dynamic Planet      | Each <b>TEAM</b> may bring <b>four</b> 8.5" x 11" double-sided pages of notes containing information in any form from any source   | Same unless tournament director indicates otherwise |
| Entomology          | Each <b>TEAM</b> may bring <b>one</b> 8.5" x 11" two-sided page of information in any form from any source (e.g., notes, insect lists, etc.) and one commercially published resource that may be annotated, and tabbed (limit 3 words on tabs)           | Same unless tournament director indicates otherwise |
| Experimental Design | N/A  |   |
| Forensics           | Each <b>TEAM</b> may bring <b>one</b> 3-ring binder any size with information in any form from any source that is inserted into the rings (notebook sleeves are permitted).  | Same unless tournament director indicates otherwise |
| Fossils             | ... <b>one</b> published field guide that they may tab and write in, <b>one</b> 3-ring binder (any size) containing information in any form from any source. The materials should be punched and inserted into the rings (Sheet protectors are allowed.) | Same unless tournament director indicates otherwise |
| GeoLogic Mapping    | Each <b>TEAM</b> is permitted to bring <b>one</b> 3-ring binder (any size) containing information in any form from any source. The material must be 3-hole punched and inserted into the rings (notebook sleeves are permitted).                         | Same unless tournament director indicates otherwise |
| Green Generation    | Each <b>TEAM</b> may bring <b>only one</b> 8.5" x 11" sheet of paper that may contain information on both sides in any form from any source.   | Same unless tournament director indicates otherwise |

|                           |  |   |
|---------------------------|--|---|
| It's About Time           | All reference materials to be used during all parts of the competition must be secured in a 3-ring binder, so that regardless of orientation nothing falls out.  | Same unless tournament director indicates otherwise |
| Mission Possible          | Required: Action Sequence List (ASL) and Bonus/Optional: Energy Transfer Sequence (ETS)  | Same unless tournament director indicates otherwise |
| Protein Modeling          | Each <b>TEAM</b> may bring up to 5 double sided "8.5 x 11" pages of notes. Internet access is not permitted.   | Same unless tournament director indicates otherwise |
| Scrambler                 | N/A  |   |
| Technical Problem Solving | Each <b>TEAM</b> may bring <b>two</b> 8.5" X 11" sheets of paper that may contain information on both sides in any form from any source (including a list of mathematical relationship, formulas or constants) | Same unless tournament director indicates otherwise |
| Wright Stuff              | Flight Logs are part of scoring  | Same unless tournament director indicates otherwise |
| Write it Do it            | N/A  |   |
