

Perimeter College Science Olympiad

Perimeter College is delighted to host a Science Olympiad event each year. We constantly strive to offer an excellent event that exceeds the expectations of competitors, team coaches, and State Directors.

As part of our commitment to ensuring a safe and secure environment for our event, we require Team Coaches to sign that they agree to the following for all competitors they bring to our event:

- Coaches/team chaperones are responsible for supervising the minor participants the entire time they are on campus. Accordingly, coaches/team chaperones are responsible for addressing any participant medical issue, safety issue, or behavior issue. Georgia State is not responsible for supervision of the participants.
- Team Coaches check-in with all competitors between events.
- Team Coaches ensure no competitor from their team is left on campus after the event has finished.

This form should be signed by the appropriate people identified below and emailed to mhollier@gsu.edu at least 2 weeks prior to the event date.
