Tutoring and Advising times

-To see tutoring and advising times, scan the QR code for "Tutoring & Advising" and select the "Tutoring and Advising times" link. Then click on the correct semester.

oFeel free to come and see me when you need help at the location(s) listed.

oThe date ranges for tutoring and advising hours are listed for each semester, along with days and times.

oThere are no set tutoring hours during final exam week.

oStudents must email Dr. Höller in College to make arrangements for tutoring outside the hours listed. The time must be mutually agreeable to the student and Dr. Höller and will be performed through Webex for all appointments outside of the hours listed in the table above. Students who turn up outside the hours listed above without an appointment will be turned away / ejected from Webex.

-Other tutoring options are also listed on my website and the table below has some QR codes to take you directly to them.
